

Critical Thinking Methods for Leaders™ (CTML) Training Schedule: 2 days

Course Overview

Critical Thinking Methods for Leaders™ (CTML) is the complementary course to C³TM with reserved content more appropriate for Team or Organization level applications. CTML offers ongoing learning, thoughtful reflection and purposeful practice of Critical Thinking in parallel with leadership skills development. Critical Thinking Methods will be leveraged to influence the culture of your organization. *(C³TM and CTML are complementary courses with unique content – both leveraging the All About Methods developed CRAFT™ approach to critical thought.)*

Learning Objectives

1. Provide a suite of Thinking Tools to use with your team
2. Improved foresight and strategic implications of externalities
3. Internal Alignment with Corporate Culture
4. Use of CRAFT™ (Concentration, Rhetoric, Awareness, Filters, and Tools) advanced thinking specifically applied to groups, teams, divisions, and organizations

Who Should Attend?

All leaders (emerging managers through seasoned executives) wanting improved performance and increased organizational influence through advanced thinking methods
